SUBJECT: Enhanced Warranty for Indirect-Fired Products

Effective immediately, AERCO has increased the warranty coverage of all steam-to-water, single wall pressure vessels and anticipators to 20 years! Note that the coil heat exchanger warranty remains 10 years and the Doublewall heat exchanger warranty is one year.

The new warranty policy applies to any WaterWizard, A+, B+, E+, Double Wall Heater or Steam Generator shipped on or after June 1, 2005.

New warranty and specification pages have been posted to the AERCO website and are being incorporated into submittals issued by AERCO after June 21, 2005.
